

# Wyomanock Center for Sustainable Living

## Wyomanock Farm

We are a rural, community based non-profit.  
[www.wyocenter.org](http://www.wyocenter.org)  
 68 Wyomanock Road  
 Stephenstown, NY 12168

Our mission is to engage people in hands-on learning experiences that deepen their knowledge and understanding of sustainable living practices. Through our workshops, participants envision, develop, and enrich their own sustainability ethic, and learn the skills they need to put it into practice. The greater our collective efforts are to live more sustainability, the more regenerative, resilient, and healthy our relationship with our community and land base will be.
